Recognition of Foreign Grand Lodges

Grand Lodge of the State of Tamaulipas (Mexico)

3.3 The Grand Lodge of the State of Tamaulipas, in Mexico, was formed on 5 May 1909 by three regularly constituted lodges of the Gran Logia Unida Mexicana de Veracruz, recognised by this Grand Lodge in 2014 as the Grand Lodge of the State of Veracruz. The Grand Lodge's jurisdiction is limited to the State of Tamaulipas, in Mexico.

3.4 A treaty of intervisitation and territorial sharing with the York Grand Lodge of Mexico (recognised by this Grand Lodge since 1923) was signed on 17 March 1972.

Grand Lodge Benjamin Herrera (Colombia)

3.5 The Grand Lodge Benjamin Herrera was formed on 24 January 1974 by five regularly constituted Lodges of the National Grand Lodge of Colombia at Barranquilla, recognised by this Grand Lodge in 1924. The Grand Lodge Benjamin Herrera's jurisdiction is limited to the Colombian States of Magdalena, Cesar and Guajira.

3.6 Having shown that they have regularity of origin and that they conform to the Basic Principles for Grand Lodge recognition, the Board, having no reason to believe that they will not continue to maintain a regular path, recommends that these Grand Lodges both be recognised. A resolution will be moved accordingly and appears at item 4 of the Paper of Business.

Amalgamations

3.7 The Board has received a report that Old Bloxhamist Lodge, No. 7725 has resolved to surrender its Warrant in order to amalgamate with Old St. Edward's Lodge, No. 5162 (Oxfordshire).

3.8 The Board accordingly recommends that the Lodge be removed from the register in order to effect the amalgamation. A Resolution to this effect appears at item 5 of the Paper of Business.

Grand Secretary's Office

3.9 At the Quarterly Communication on 13 December 2023 the President of the Board gave notice of motion to amend the Book of Constitutions to provide for the appointment of a second Deputy Grand Secretary. The substantive resolution is due to be voted on later today.

3.10 It has been represented to the Board that there should be a similar provision in the Royal Arch, particularly in view of the current emphasis in the Strategy on "one organisation", and for that reason it is considered desirable that the change should take place at the same time in both Orders. Because the Grand Chapter now meets only twice a year, it has not hitherto been possible to give notice of the proposed change, and therefore in the normal course it could not take place until November.

3.11 The MW Pro Grand Master, however, in his capacity as ME Pro First Grand Principal, has indicated that, provided notice is given at the March Quarterly Communication, he will be willing to permit similar amendments to the Royal Arch Regulations to be voted on as urgent business by the Grand Chapter in April of this year to enable the Craft and the Royal Arch to march, as in other recent instances, hand in hand.

3.12 A Special Notice of Motion to amend Royal Arch Regulations 2 and 15 accordingly appears at item 8.

Harmonisation between the Grand Lodge and the Grand Chapter

3.13 As part of the "one organisation" element of the *Strategy for Freemasonry, 2022 and beyond* the Committee of General Purposes and the Board are both considering ways in which the financial administration of the Craft and the Royal Arch might be harmonised to achieve greater efficiency and potential cost savings. As a first step, they have concluded that the introduction of a single registration fee to cover both Initiation into the Craft and subsequent Exaltation into the Royal Arch would simplify the process, and also have the benefit of encouraging Brethren to complete their journey in pure Antient Masonry by not requiring the payment of a further fee to the Fund of the Grand Chapter. The Board has no hesitation in recommending such a change and expects that the Committee of General Purposes will make a similar recommendation in respect of the Royal Arch.

3.14 It is hoped that it will be possible to achieve this objective in time for the single fee to take effect from 1 January 2025, after which date neither new Brethren, nor existing Brethren who are not yet members of the Royal Arch, would pay any Exaltation fee to the Grand Chapter unless they are joining from a different Constitution.

3.15 As has already been noted in this Report, because the Grand Chapter now meets only twice a year, it has not hitherto been possible to give notice of a change to the Royal Arch Regulations, and therefore in the normal course it could not take effect in the Royal Arch until November.

3.16 The MW Pro Grand Master, however, in his capacity as ME Pro First Grand Principal, has again indicated that, provided notice is given at this Quarterly Communication, he will be willing to permit an amendment to the Royal Arch Regulations to be voted on as urgent business by the Grand Chapter in April of this year, that being the Convocation of the Grand Chapter at which fees for the next calendar year fall to be settled.

3.17 Notice of Motion to amend the Book of Constitutions accordingly appears at item 9 and Special Notice of Motion to amend the Royal Arch Regulations at item 8 of the Paper Business.

Tributes to Deceased Brethren

3.18 The practice of commemorating a newly deceased Brother at the next meeting of his Lodge or Chapter has a long and distinguished history in Freemasonry, and deserves nothing but encouragement. Such commemoration normally takes the form of a brief (or not so brief) eulogy followed by a short period of silence, and sometimes concludes with a short prayer.

3.19 The Board is, however, concerned to discover that in an increasing number of Lodges the simple tribute has recently become amplified by the introduction of additional material, often imported from American or continental practice, the whole frequently being designated a "Lodge of Sorrow".

3.20 The Board strongly deprecates the use of such ceremonies, which have no genuine historical justification in English Masonic practice and risk blurring the clear lines between Freemasonry (which is emphatically **not** a religion) and religion. It hopes that the Grand Lodge will endorse its view that the death of a Brother should be marked only by an eulogy or tribute, and that in particular there should be no display or parading of a deceased Brother's regalia at, or immediately before or after, a Lodge meeting.
